The committee of women Friends appointed at our last meeting to present the names of two Friends to serve the women's meeting as clerk and assistant clerk for the ensuing year, proposed the name of Katharine M. Brewitt for clerk, and Mary C. Cary for assistant clerk, which being separately considered were acceptable to the Meeting, and they were accordingly appointed to those positions.

The committee appointed at our last meeting to confer with Bendersville Friends in regard to their request to this meeting to consider the discontinuance of the Preparative Meeting there made the following report, which was satisfactory. The committee was continued.

A meeting of this committee was called during the week following the last Monthly Meeting to meet our Friends Howard M. and Para H. Hoge on their way home from Bendersville where they had been holding meetings.

The evening was stormy, and not all the committee were able to be present, but those that were, had a very interesting and helpful conference with our Friends.

The committee was impressed with the value which the Preparative Meeting might be made to Bendersville Friends if rightly used, and it was hoped that one or two members of the committee might be able to attend it this month. This was prevented by sickness and other causes. A full letter was written to them containing various suggestions, which letter we understand was read at their Preparative Meeting. The committee feel that it is of great importance that a representative from Bendersville should at least occasionally, attend our Monthly Meeting. The committee suggests that it be continued. On behalf of the committee, R. H. Thomas.  
 Katharine M. Brewitt.
