

Gilpin, also Ashton Monthly Meeting of our action.

A certificate of removal for Dora Clark, from Lower Monthly Meeting of Friends, held at Somerton, 1st. month. 28th. 1899. was read.

In view of the fact that Washington Monthly Meeting has now been set up, it was directed that it be endorsed by our clerks, as having been read in this meeting, and transferred for action to Washington Monthly Meeting, she having removed to reside within its limits.

Our clerks were directed to inform Lower Monthly Meeting of the action this meeting had followed.

The committee appointed in 12th. mo. last to examine and revise our list of members, and report what action, if any, should be taken in regard to those of our members who permanently reside beyond the limits of this meeting, made the following report, which was acceptable and directed to be spread upon our minutes with the exception of the accompanying list. The whole matter was referred to the Overseers, with the request, that they give it their careful consideration, and report the conclusion to this

meeting as soon as practicable. The committee was released. The committee appointed to revise the list of members, and report what action, if any, should be taken in regard to non-resident members, report as follows.

We have carefully gone over the book of the Recorder, and find that there are 65 members not now living within the limits of this Monthly Meeting.

We herewith attach a list of such members with their addresses, as far as we know them. In order that we may be able to revise this list for publication as directed by the Yearly Meeting, we would recommend, that the Monthly Meeting instruct the Overseers, to ascertain by correspondence or otherwise, whether there is a sufficient or valid reason why this Meeting should not send the certificates of the members named in the attached list to the Monthly Meetings, within the limits of which they are now residing, or if in their judgment, any other action should be taken and to report as soon as possible.

Signed on behalf of the Committee -
Francis A. White, Anna King Leary.
