

built in 1887 at a cost of \$4669.³⁸, of which \$2823.⁸⁰ came from the Schofield Fund & \$1000.- from a legacy of Mary K. Warder.

Besides the above mentioned Real Estate, the Monthly Meeting also owns 2 \$1000.-6% Bonds of the Consol. Gas Co of Balt. being accrued income from the Wilson Fund."

Then adjourned

John C. Thomas, Secty

At a called meeting of the Trustees of Balt. Monthly Meeting, held 6th Mo. 6th 1892, present Jas. Cary Thomas, James Carey, Jesse Tyson, Joseph P. Elliott & John C. Thomas.

A letter from the Health Commissioner was read, calling attention to the unsanitary condition of cellars & privies of the houses on the rear of the Mission property Federal Hill, & requiring prompt measures for relief.

John C. Thomas was authorized to have the privies cleaned out & the north cellar wall of 1007 James alley cemented, & to ascertain the cost of draining the cellars & privies

into one of the city sewers, & report to a called meeting of the Trustees as soon as possible.

Then adjourned

John C. Thomas, Secty

At a called meeting of the Trustees of Baltimore Monthly Meeting, held 6th month 14th 1892, present Jas. C. Thomas, Pres. Jesse Tyson, Jos. P. Elliott & Jno. C. Thomas.

Jno. C. Thomas reported that it would cost about \$20.- to cement the north cellar wall of 1007 James Alley, on the inside, & about \$40.- on the outside. In view of the greater advantage of excluding dampness from the wall, it was decided to have it cemented on the outside.

A bid for the construction of a sewer to drain the cellar of the gander's house, also the 3 privy wells on the rear of our property on Light st, into the city sewer recently constructed on the east side of Light st. for the sum of \$263.⁰⁰ was
