

At a meeting of the Trustees of Baltimore Monthly Meeting of Friends (Orthodox) held Twelfth month 5th 1905. John C Thomas, James Cary J. Miles White Jr, Richard J White and John R Cary were present.

It was agreed that we should ask the Monthly Meeting to appropriate from the income of the fund left by Francis White for "Educational purposes at Federal Hill" \$100.00 for the use of the Boys' club and \$100.00 to the Light St Free Kindergarten ^{for this year}. To recommend these appropriations because there is no educational work at Federal Hill directly under the care of the Monthly Meeting and our late Friend Francis White was especially interested in these two branches of mission work of an educational character. It is our judgment that appropriations from this fund should be made only for one year at a time.

The old school desks remaining in the Institute cellar, for which we have no further use, were given to a colored school in Virginia under the care of Della Hayden.
