

As a trustee. A letter from Thomas Clark which had been referred to at the meeting of the trustees at the monthly meeting in regard to Ellen A. Nicholson's will was read. The letter suggested that the legacy of \$7000 left to the trustees be accepted in the mortgage certificates in which most of the estate had been placed. This recommendation was accepted & the trustee was charged to pay the inheritance tax from other funds.

Whiston Carey Sec.

At a called meeting of the Trustees held Jan 3rd there were present Miles White Jr, John E. Thomas, James Carey Jr & Whiston Carey. A letter from Anna B. Thomas was read reminding the trustees that her subscription to the meeting house building fund, had been made with the understanding that there should be a memorial to her husband and daughter in the new meeting house. The trustees recognized their negligence in not complying with this request and the Sec. was directed to write a letter to the Trustees meeting suggesting that a bronze

tablet be placed in the Sunday School building with a suitable inscription thereon. It was determined that this be done with the approval of Anna B. Thomas.

The following investments were approved

To be invested
 Francis Q. White Legacy \$10,000
 C.C. & O. Bond falling due 1,000
 11,000
