

46
HOMEWOOD FRIENDS MEETING

3107 North Charles Street

Baltimore, Md.

Office of the Executive Secretary

December 4, 1935

Dear Friend,

Please study the enclosed budget for 1936 and contribute as generously as you can to the support of Baltimore Monthly Meeting.

We want every member to share in the maintenance of the Meeting and in its activities. If this ideal is attained we can meet the obligations assumed. No amount is too small to be of some help. Let us make 1936 a banner year -- every cent of budget paid, not by a few, but by all our members. Current Expenses, Education, Evangelism, and the United Budget are all needed in the coming of the Kingdom of God for which we pray.

The Finance Committee invite you to meet in the Library at the close of our meeting for worship December 8, 1935. Please bring the enclosed card filled out after you have given it thoughtful consideration. The increasing use of these cards and the envelopes the past few years has been encouraging. You will give great encouragement and support by using one this year.

If for any reason you are unable to be present Sunday, please mail the card to G. Cheston Carey, Treasurer, 119 E. Lombard Street. Envelopes will be sent to you if desired.

Signed on behalf of the Committee,

Ella Cowman Chairman
G. Cheston Carey Treasurer
