Attention was called to the deficit which exists, with but a month and a half of the year still to run. There is due on pledges \$853⁰⁰. In addition there is a deficit of \$169¹⁰ on current expense account and \$770⁰⁰ for the balance of the Budget. We decided not to sent out a general letter at this time.

Alfred Townsend has asked to be released as Chairman, due to his additional work at school, and it was suggested that we ask Donald Van Hollen to accept the Chairmanship. Margaret J. Carey has consented to ask if he will serve.

The Meeting then adjourned.
