There are eight new contributors this year.

It was decided to prepare a membership list which could be used by the Finance Committee as representing the Baltimore Monthly Meeting, and the following persons were appointed to work on such a list:

Donald B. Van Hollen suggested that an acknowledgment should be sent to those persons who pledge, and a different form would be mailed to those who increase their subscriptions. The following Committee was appointed to act upon this suggestion, and bring a report at next Finance Meeting.
