Baltimore, Md. 4th Mo. 29-1942

A Special Meeting of the Finance Committee of Homewood Friends was held at the home of Margaret J. Carey.

Present:

Donald Van Hollen	Margaret J. Carey
Cecie Van Hollen	J. Florence Parker
G. Cheston Carey	Louis C. Mueller

The purpose of the meeting was to determine how we should raise \$1,000 additional as pledges to date are short that sum of meeting the required Budget.

It was decided to send out a letter to the membership, explaining the financial situation and asking those who have already pledged, to give an additional amount.

We will again meet 5th Mo. 18th to plan further ways of reaching our goal.
