

our members to the Library for books - believing that the pursuit of them would be a very beneficial mode of spending some of the leisure moments which are at their command; - particularly do they wish to see on the part of our youth and others, such a use of the volumes relating to our own principles and practices as would furnish them with a sufficient degree of information on these points, to enable them to understand and to explain to enquirers what these principles and practices are.

The accounts of our Treasurer on examination appear to be correct - the balance in his hands being six dollars and forty cents - all of which is submitted to the Monthly Meeting.

Signed on behalf of the Committee
Baltimore 8th month 1. 1839 E N B Clerk
