

94

attended by our friend Richard Janny
every first day morning— who also
distributes tracts amongst the men—

A Sabbath School for them has also
been established within a few weeks
under very favorable auspices— by some
of the Young Mens Christian Association
and other gentlemen They have been in operation
several weeks— commenced with thirty scholars
and last first day had nearly one hundred
it being optional with the prisoners to
attend or not— They also have religious
services in the mens hospital in the
afternoon—

The same visiting committee continued

Adjourned
