

A regular meeting of the Association for Christian Work was held in the Johns Hopkins University Physical Laboratory on Wednesday Evening, December 12th, 1903.

After reading a portion of scripture, and dispensing with the minutes at the request of the meeting, the President introduced the lecturer for the evening, Dr. J. B. Whitehead, of the Johns Hopkins University, who gave a most interesting illustrated lecture on electricity, treating especially the subject of the X. Ray, and the new substance Radium.

Cassandra C. Platto,
Secretary.

A regular meeting of the Association for Christian Work was held in the Institute on Saturday Evening, January 9th, 1904.

The meeting was opened by the reading of a chapter in the Bible, and prayer.

The President omitted the minutes, with the approval of the meeting, and announced the entertainment of for the evening,— a paper on Margaret Fox and her daughters of Swarthmore, England, to be read by Allen C. Thomas.

Cassandra C. Platto,
Secretary.

A regular meeting of the Association for Christian Work was held in the basement of the Meeting House on Wednesday Evening, March 9th, 1904. It was opened by the reading of a portion of the Scripture, and
