Dear Friends

Our beloved friend Deborah C. Thomas, a minister of the Religious Society of Friends in unity and good esteem amongst us, expressed in this Meeting a concern to attend in the love of the Gospel of Christ London Yearly Meeting and some of the Meetings belonging to it; also, some Meetings within the limits of Dublin Yearly Meeting, and, if way should open for it, the small meetings in France under the care of Friends, as expressed in the Minutes granted her by Baltimore Monthly and Quarterly Meetings. After a time of deliberation, this Meeting fully united in liberating our dear friend for the service to which we believe she is called, desiring that she may be enabled faithfully to proclaim the message of a Saviour's love, and find hearts prepared to receive it. We commend our beloved sister to your sympathy and prayers.

Signed by direction and on behalf of
Baltimore Yearly Meeting on Ministry
and Oversight held 10th Month 26th 1882.
