Dear Friend:

As it seems impossible to agree on an hour when all members of the Finance Committee can meet, I am sending to each of you drafts of letters to be sent, as agreed upon at our last meeting, to those who have not responded to the first appeal. The letter to our resident members will not be sent to those who have verbally explained to your chairman their intent to give when able to do so. Please return drafts with approval, disapproval or changes to

To residents:

Dear Friend:

On the 23rd of November a letter was mailed to you from the Finance Committee of Baltimore Monthly Meeting enclosing statement of amount needed for 1932, for current Expenses, Reduction of Mortgage, Evangelism and Education, and United Budget; also a pledge card. Your committee has had no response from you and desires to know your reply even though it be disappointing. The sum already promised is not sufficient. If you cannot give much, please give something. Another pledge card is enclosed for your convenience. The drive for the United Budget, made through the Yearly Meeting, is a part of our needs. There are three others, Current Expenses, Education and Evangelism, and Reduction of Mortgage.

E. Cowman.

To Non-Residents:

Dear Friend:

No reply has been received to the letter from Baltimore Monthly Meeting Finance Committee mailed to you on November 23rd, 1931. The continuance of your name on our membership list is a pleasant assurance of your continued interest and we shall welcome your assistance even though it, mayhap, must be small. The financial ability of our resident membership has been steadily decreased by the death of generous Friends. Those of us who are left must "do our bit." For your convenience a pledge card is enclosed.

E. Cowman.
