At an adjourned Meeting of Baltimore Preparative Meeting on Sunday and Oversight held 4/10 1899. Eleven Members were present.

After a time of Waiting on the Lord, (in accordance with the purpose of Adjournment as stated in ~~our last~~ the Minutes of our meeting held 3/30.) The Minutes of Advice (Minute 56) of our late Yearly Meeting was read & seriously considered. As suggested in Commencement from the Quarterly Meetings Meeting on Sunday and Oversight, the Attention of Members was called to the Clause in our Discipline which directs that

this Meeting shall take into prayerful Consideration the Spiritual Condition of the Meeting at large as well as that of its individual Members. It was suggested that we should first consider whether we as a meeting were living up to our privileges as members of this body. Much helpful advice was given on this subject. The subject of offering our Members also came under the Consideration of the Meeting.

Then Concluded.
