

The Committee had given some attention to the Subject.

The Queries for Meetings on Ministry and Oversight, appointed to be read by this Meeting three times a year, were read and considered.

The Subject of the Spiritual life of our Meeting held at Eutaw Street was then taken up.

There was a general feeling that there was a good degree of Spiritual life among our members; Our First day Morning Meetings have been well attended by most of our members, and there seems to be a good deal of interest in the Meeting. In addition to our own members a considerable number of Non-Members attend this Meeting.

Our First day Evening Meeting continues small.

Our Fifth day Morning Meetings though possibly not so large as in years past

are believed to be distinctly larger than those were last year. They are times of refreshment and blessing to many who attend.

One very encouraging feature of our Meeting at Eutaw Street is the interest maintained in the First day School, and the work among young people and children.

The character of the Ministry has been satisfactory. At Light Street the Condition of the

Meeting is believed to be encouraging, and that under the existing circumstances the Attendance is about as large as could be expected. As at Eutaw Street the work among the young people is an interesting feature and they seem to take much interest in the work of the Church.

The Meetings both on 1st day Morning and in the Evening are felt to be Meetings of power. In the Evening a number of Non-Members attend and seem to get help from coming. In or soon near Members have lately joined the Mission Meeting. The Meetings at the Friendly Inn in charge of Friends have been
