

Owing to the small attendance at this meeting, the Discussion of the Special Subject assigned for this ~~meeting~~<sup>time</sup> was postponed to a future meeting.

After considerable discussion the time for holding the regular sessions of this Body was changed to the Fifth day preceding our monthly meeting which reports to the Quarterly meeting, at the rise of our regular meeting for worship, it being understood that, Adjourned meetings for the consideration of Special Subjects may be held as may opened.

The meeting then proceeded to consider the several congregations under our care.

### Ottawa Street

There is a continued good attendance at our meetings on First and Fifth day mornings, The Ministry seems to be helpful and it is felt ~~by many~~ that we have cause for encouragement.

There is evidence of renewed interest in the work of the Church on the part of some of our members and the reception of Gifts. Attention was called to the work now being carried Light Street on at Hep Street by members of this reluctant.

The meetings here continue to be interesting and helpful. The Evening Meetings on 1st day have not been quite so large lately, but they are meetings of life and power and seem to give evidence of spiritual gifts being conferred upon our members. It is desired that Friends from Ottawa Street should attend Light Street meetings as often as may open for such visits.

John C. Thomas, Richard H. Thomas, Anna B. Thomas, and Hannah McPope were appointed representatives to our Quarterly Meeting on Monday and Oversight to be held at Dew Creek.
