

At Baltimore Local Meeting on Ministry and Oversight held 10/2. 1902

The Representatives to our late Quarterly Meeting reported that they all attended except one for whose absence a satisfactory reason was given. In accordance with provision of our Discipline the consideration of the spiritual condition of the congregations under our care was then taken up.

Cataw Street

The Meetings held at Cataw Street have been as usual small during the Summer months, owing to a large number of our members and attenders being away from the City; though small they have been felt to be times of blessing & refreshment.

Our first-day morning meeting was held in the upper room of the Meeting House this Summer.

Light Street

The presence of the Lord has been felt in our meetings at Light Street and a good degree of spiritual life has been manifested by quite a number

of our members, both in the meetings and elsewhere. They are active in such branches of Christian work as way seems to open for. Owing to the absence of some of our members from the City, and to some having moved to a distant part of the City, and to sickness, our meetings at Light St have been smaller than at other times of the year.

Bearsdenville

No member of Bearsdenville Meeting was present at this time; One of our members who visited this meeting since our last report stated that the meeting seemed to be in its usual condition.

This meeting is informed by Baltimore effort by meeting that Rebecca M. Thomas has recorded as a minister in the Religious Society of Friends.

The following changes have taken place in our membership this year.
