

As those from other Meetings were in
very much appreciation.

Cutaco St

The Meeting here on 1st day Morning
has been as usual, small during the
summer months, it would seem as if
more friends than usual have
been out of the City for a longer
or shorter period & this of course
means smaller Meetings.

Our Meetings tho small have been
felt to be times of real blessing, and
the church, both from the gallery and from
the floor of the Meeting, has been
helpful and acceptable.

Benderville

No formal report was received from
this Congregation, but it was
informally stated by a member who
had received letters from one of

our Benderville friends, that the
Meeting had been held during part
of the summer, the attendance being
very small. It is understood that
the Meeting will be closed during
the winter months.
