Cataw Street

The Spiritual Condition of this Meeting was ~~more~~ considered first.

The attendance of our Meetings for worship on 1st day Morning & 1st day Evening seems to continue to be about the same, but it is gratifying to ~~note~~ be able to note an increased interest among our

Members in the work of the Meeting. It seemed to ~~some~~. We feel deeply the losses that we have sustained during the year, but believe it is an evidence of God's blessing on our midst that others are coming forward to take their place in the Meeting & that there seems to be such a hearty desire & willingness on the part of so many to do what they can to in the work of the Church.

The Ministry continues, we believe to be ^{acceptable} helpful, and we are glad to be able to note the helpfulness of the Ministry of those who speak from the body of the Meeting.

Our First day Evening Meeting has been suspended as meeting for worship, but it is proposed to hold Meetings of a somewhat different character. on 1st day Evening, and a meeting for young people has already been started.
