

What are the encouraging facts? Our meeting is united as never before, and ready to support any forward movement which commends itself to the sanctified judgment of those who usually lead in such matters. The ministry has been increasingly helpful and stimulating, not only that coming from the gallery but also from those on the floor.

On the whole the meeting is in a healthy and encouraging condition, and not only is its face in the right direction, but it is going forward. If each one of us will present his body a living sacrifice, holy and acceptable unto God, and be not conformed to this world but be transformed by the renewing of his mind we shall unitedly prove what is that good and acceptable and perfect will of God. We can be sure that part of this will is the prosperity of His Church of which our denomination is intended to be an integral part -

Light St Congregation

The Local Pastoral Committee has organized, and arrangements are being made to visit the members living in that part of town. Steps are also being taken to get more of those who were members of the Mission and who have not joined Friends to do so. The ministry has been acceptably varied by visits of ministers from the Centard St Congregation.

The Business Meeting held on the 6th instant was felt to be quite satisfactory. All the meetings have been well attended during the month, with an increased average over the preceding month. The lantern meetings continue to be interesting and the attendance

large. The real object has been more nearly met by reducing the number of pictures and endeavoring to make the meetings more evangelistic in character. With the next meeting, to be held fourth month 5d, subject, "The Prodigal Son," we are arranging to begin a series of meetings to which some are looking forward with expectation and hope. We need the help of the members of this meeting, and trust that you will share the responsibility of the work.

Application

An application for membership with friends was received from Emeline O'Neill with a report from Rebecca Day and Mary McCullough that they had visited her ^{by request of the clerk} and approved of her being received. Our clerk is directed to forward the application to the monthly meeting with our approval.

Subject for

Discussion

The subject arranged for discussion was laid over until our next meeting.

Have adjourned.
