Eutaw St.

Report from Eutaw St. Congregation.

The interest in our First day morning meetings has continued about the same ^{as before} during the past two months, and the Mid week meetings have frequently been of more than usual interest. We have been favored with visits from several out of town ministers and their messages have been instructive and helpful. The attendance is beginning to fall off some, owing to friends leaving the city for the summer.

Light St.

Report from Light St. Congregation

The spiritual condition of the meeting is still much below what is desired, but some improvement can be recognized. The Sabbath School is gaining some also. The attendance of meetings is about as usual. Those who take vocal part are encouraged and in one or two instances there seems promise of the development of a gift. More frequent visits from Eutaw St. friends are very much desired.

Then concluded - John Abney clerk for the day.

Representatives

Light St.

Light St. meeting has been rather smaller than usual for the summer months, and there has not been very much interest manifested by some of those who have attended, and others have seemed discouraged. Some of the faithful ones are, however, putting forth renewed efforts in visiting and in other lines, and we hope and believe that there will be an increase of life and a larger attendance of our meetings. We are not aware of any differences existing at present to weaken the meeting.

Eutaw St.

Owing to the absence from the city of a large part of our membership during the period since last report the First day and Fifth day morning meetings have been the only times when friends have come together. These meetings have been held regularly, altho smaller than usual, but have not been lacking in interest.
