Reports

Representatives

The following reports were adopted for the two congregations, and the clerk was directed to forward them to the Quarterly Meeting on Ministry and Oversight, to attend which, as our Representatives we appoint John Nicholson, Clarissa Davis and Edward L. Palmer -

Light St.

Light St.

The spiritual life of the meeting seems to be better than it was last year. The attendance is about as it has been, and the ministry is acceptable to the congregation. No new work has been undertaken, but much care has been given to the visiting of members and attenders.

Eutaw St.

Eutaw St.

The attendance of the meetings is encouraging, being somewhat larger than last year. There seems to be good spiritual life, and the ministry is helpful. We are encouraged by an increase of membership and interest in the Bible School, and by the development of the Young Peoples Society.

The clerk was directed to request the Monthly Meeting to add the name of Anna B. Della to the membership of this meeting.

Light St.
Ministers

Feeling a deep interest in the welfare and development of Light St. Meeting, and having a desire that it may be increasingly effective as an evangelizing agency, we request the ministers who usually attend that meeting to carefully consider, unitedly, its present condition and opportunities. If, in their judgment, we can render that meeting any assistance there are advised to state in what manner it can best be given.
