Marcussen

Johann Marcussen, a minister, was acceptably present, with a minute for service among the immigrants from Denmark and Norway in this country from the Denmark yearly meeting of Friends.

The following reports were adopted as showing the condition of our meetings and the clerk was directed to forward them to the Quarterly meeting on Ministry and Oversight to be held at Deepwell, Va. the 13th of next month, and Anna B. Thomas, John C. Thomas and Hannah M. Pope were appointed our Representatives to the same.

Representatives

Light St.

The attendance of the meetings has not been so large during the past three months as in some previous years, but meetings for prayer are being held to quicken the spiritual life, and efforts made to encourage the members to greater faithfulness. The ministry is helpful to those who attend meetings.

East St.

We feel that the ministry in our meetings is increasing in life and power. The attendance is larger than last year, and the spiritual condition to some degree encouraging. The increase in the attendance of the Bible school and the interest and size of the Young Peoples meeting are hopeful features of our work.
