Reports -

The following reports of the condition of our meetings for the past quarter were adopted, to be forwarded to the Quarterly meeting on Ministry and Oversight.

Eutaw St.

The attendance of our meetings has been encouraging, showing some increase over last year. Especially in connection with our fifth day meeting, this is felt to be an evidence of spiritual life. The ministry has been helpful. The gospel services of several ministers from other meetings have been an acceptable feature of the last three months.

Light St.

The attendance has been about as usual for this season. The ministry has been more than usually acceptable, bringing a live spiritual message to the attention of the congregation.

Pastoral visiting has the earnest attention of the members of this meeting in both congregations.

Then adjourned. - John R. Barry
Clerk at the time
