The following reports were adopted to be sent to the Quarterly Meeting on Ministry & Oversight -  
Easton St.

The attendance at our First day morning meeting, from 80 to 100, has been about as usual at this time of the year, and the Fifth day meeting has been larger than last year. The spiritual condition of the Meeting is felt to be improving in some degree, and a strong feeling of unity prevails among the members. The ministry has been helpful and acceptable, but we earnestly desire that more of the convicting power of the Spirit may be felt in our meetings -

Light St.

A good spiritual life is evident in the meetings, but the attendance, 12 to 16 in the morning and
