Report

Representations

The following report was adopted to be forwarded to the Quarterly Meeting on Ministry and Oversight to be held at Hopewell, Va. and Hannah M. Pope, A. Morris Carey and A. Viola Kerisberg were appointed our Representatives to that meeting -

Many of the activities of the Meeting have done for the season or are about to do so, but plans are being matured for larger and more effective work next fall - In looking back over the past season we can see some evidences of advance, and can recognize the faithfulness of our Heavenly Father in blessing the work undertaken in his name. Some of our younger members give evidence of consecration to a larger service, and there is much to encourage us in spite of our sense of failure to do all that we might have done -

Then adjourned - John Carey Clerk
