22-09

At Baltimore Local Meeting on Ministry and Oversight held Twelfth month 22nd 1909, eleven members were present.

The minutes of last meeting were read.

The following report was adopted to be sent to the Quarterly Meeting on Ministry and Oversight, to attend which as our representatives we appoint Jas. Carey Jr., John B. Thomas, Mary E. Cary and Eugenia N. Parker.
Eutaw St.

We are not conscious of any marked advancement in the spiritual condition and life of the congregation. A good number of our members are truly concerned for the progress of the meeting, and on the part of some others we recognize a growing interest. The attendance is not very different from last year at this time. Our ministry seems to be adapted to the needs of the meeting, and its exercise called out by the Holy Spirit, but we should be glad to see more development of gifts in this direction among the younger members.

Light St.

The changes of residence among the members of this congregation, and other causes, have reduced the working force considerably, and new members have not been brought forward in sufficient numbers to fill the ranks; but some efforts are being made to bring about a better condition. Some branches of the mission work which use the Light St. house are increasing in interest and usefulness, and we hope to see a large and active work carried on there.
