Report

Representations

The following report was adopted to be forwarded to the Quarterly Meeting on Ministry and Oversight, and Anna B. Thomas, A. Morris Carey, Margaret J. Carey and Miles White Jr. were appointed Representatives.

We believe there is good spiritual life in our congregations and that we are making some progress. The attendance at Light St. morning meeting is somewhat larger, and the work of that congregation is being helped by the presence and interest of Herbert L. Keuffman who is living in that vicinity and acting as Secretary of the Social Service Committee. The ministry seems to be in good life and adapted to the needs of the congregations; and our meetings are frequently felt to be times of blessing.
