Report

The past two months have not been marked by anything of particular moment, but the work of our meetings has gone on in a satisfactory manner. There have been occasions when there seemed to be especial power in the ministry, and it is generally well adapted to the needs of the meeting. We have received several new members during the past few months, and we trust they will receive help from us, and contribute to our power as a meeting. In looking over the past season we are thankful to recognize the spirit of unity and faithfulness to duty which has influenced a large part of our membership.

The meeting being informed that Raymond Binford had gone to New York Yearly Meeting under a feeling of religious concern with no opportunity to bring the subject before the Monthly Meeting, the Clerk was directed to forward to him the following minute -

Minute for
R. Binford

Raymond Binford, a member and minister in good esteem of Baltimore Monthly Meeting having a concern to attend New York Yearly Meeting with no opportunity to present the matter to the Monthly Meeting, we give him this minute with the hope that he may find opportunity for service among you.

Then adjourned
