Pastoral  
Visiting

The following report was received; in relation to the pastoral work:

Since our first meeting last Fall members of this committee have reported between 230 and 240 visits, and nearly all our members and attenders at Eutaw St. have been visited during the year. The group plan, as our members know, was adopted, and each member of the Pastoral Committee was asked to consider certain members of the meeting as especially under their care. We believe that, on the whole, the plan adopted is a good one and hope that it may be continued this year with perhaps some slight modifications.

It would be well to appoint a small committee to revise the groups, including such friends as have come to us this year; and it is important that the work of visiting should begin promptly.

A. Morris Carey.

Assistant to Clerk in Pastoral work.

Report

As usual during the summer season most of our Friends have been absent from the city, and the life of the meeting has been expressed only in the Meetings for Worship. These have been held regularly, and although small have been interesting and helpful to those who have attended.

We have come together this Fall under a sense of our need of power for service and for a consistent Christian life; and we are facing our working season with courage and hope. <sup>Answer to query to L. Oscar Moon and Herbert L. Huffman, ministers, residing certificates removed within our limits.</sup>

John A. Cary
