

III-27-12

For the young people, has been a helpful feature of the past month. And several times during the winter visitors from our own Quarterly meeting outside of Baltimore have given much appreciated help to our Young Peoples meeting.

Our meetings are usually held in good life and interest, the ministry being helpful and stimulating to the spiritual life of the congregation, but vocal exercise from the body of the meeting has been very rare in recent months.

After some consideration of the work of the meeting and discussion of possible plans for the Summer the meeting adjourned.

The Representatives to the Quarterly Meeting on Ministry and Oversight reported that all attended.

The committee in charge of the arrangements for Pastoral visiting reported that they had sent to all the members of this meeting a copy of the Minute - adopted Fifth mo. 25th 1910. Not many visits had been reported this month, and after a discussion of possible plans it was agreed to hold the first meeting next Fall on Fourth mo. 2^d when the list of members and attenders shall be considered carefully and those who are present shall designate the persons whom they will visit.

Some of the teachers in the Bible School having a desire to hold a series of classes for the better understanding of the Discipline during the sixth month the members of this meeting were asked to cooperate with them.
