Representatives

Mary E. Cary, Anna B. Thomas, John B. Thomas and Edward L. Palmer were appointed Representatives to the Quarterly Meeting on Ministry and Oversight, and the following was adopted as our report -

Report

During the two months since our last report the regular work of the meeting has been carried on without anything occurring that was of special importance. Some of the work at Light St. has been suspended for the Summer, but the effort to develop and strengthen the general work of that congregation continues with some evidence of progress.

Our meetings have been held in good life, the ministry has been helpful and we are confident that many of our members are sincerely desirous of being used in the growth of the kingdom. Quite a number of them are joining in the preparations for the great missionary exhibit in the Fall, to be known as The World in Baltimore.

The report of the committee which has had the direction of the Pastoral visiting has reported that nearly all of our members and attenders

have been visited, those who have been kept at home by illness or other cause having especial attention. The importance of this part of our work has been impressed upon us afresh as we have reviewed the past season -

Then adjourned
