Report.

The work of the meeting has opened up for the winter in an encouraging manner. There have been several applications for membership, and some of our present members have shown increased interest in the work of the church.

A committee from this meeting has been giving special attention to Light St. congregation, and have found its members in an encouraged and hopeful spirit. The attendance there has been somewhat larger than last year and the meetings have been held in good life.

At Eutaw St. the attendance on First day has not increased to any marked extent, but we think there is a growth in the number of those who recognize their responsibility toward the meeting. Some increase in the attendance and

interest of the midweek meeting has been noticed.

Applications

Applications for membership with Firms were received from Clara Schelhaase, Mimmie Benton, Annie Marshall, Thomas Keigdon and Sarah E. Keigdon with reports from the Firms who had visited them recommending that they be received, and the clerk was directed to forward the applications to the Monthly meeting with our approval.

The Light St. committee reported that they had been visiting the members of that congregation and arranging for the attendance of ministers, and were encouraged by increasing attendance and interest.

A communication was presented from the Secretary of the Committee on Social Service of the Interchurch Federation, and John B. Thomas was appointed to represent us at any meeting called for this district.
