In pursuance of the instructions of this meeting and the rules of the Discipline the Ministers and Elders met and considered ways and means of getting the more definitely pastoral as well as the friendly visiting of the Congregation accomplished.

With this end in view pastoral visits are being arranged for.

A number of voluntary lists have been received in response to the circular letter sent out by direction of this meeting and we would urge those who have not done so to send in such lists at once if they desire to engage in the pastoral visitation.

H. Viola Horisberg reported but eight lists for visiting had been received in response to a letter sent out by the Clerk.

The value and necessity of visiting the membership was a deep concern of a number of the members:- to arrange suitable lists for such visits L. Oscar Moon, and H. Viola Horisberg and H. Morris Carey were appointed a Committee to arrange for carrying out the concern.

After a time of prayer
Meeting adjourned.
