

The Bible School has about its usual attendance.
A Foreign Missions Meeting has been held once a month, since the first of the year for some of the younger children. The Junior Foreign Missions Book "Round the World with Jack and Janet" has been used.

The members of the Bible School were interested in an address by Phoebe Stone, a Chinese girl who is a student at the Hopkins Medical School, preparing herself for missionary work in her native land.

A group of young people from Eutaw Street and Park Avenue Meetings have formed a class for studying "The life of Christ" with Elbert Russell as leader.

Our Meeting is well represented in the religious Campaign now in progress in the City. Our members have given their time and best efforts in many of the departments and we hope when these days of activities have passed we may realize a deeper personal responsibility of our members towards the activities of our Meetings and be able to interest and help those with whom we come in contact to a fuller knowledge of Christian living. As our Representatives we have appointed.
