

2nd Mo. 21st 1917
 At Baltimore Local Meeting on Ministry and Oversight held 2nd Mo. 21st 1917 ten members were present.

After a time of devotion the Minutes were read.

A suggestion was made the members of the Committee should endeavor to increase the membership of the Meeting but no definite method as to how this was to be accomplished. The interest in the Light Street evening Meetings was increasing and the various lines of work show signs of renewed life.

The Queries 1-2-3-4 were read followed by a time for meditation.

Margaret V. Carey and Isaac F. Smith were appointed to report ^{at next meeting} the conditions at Eutaw Street and Light Street Meetings so that the Report for Quarterly Meeting might be prepared.

Judging from the list of visits paid, the members of the Committee have been mindful of that line of work.

No further business

Meeting adjourned -

3rd Mo. 21st 1917
 At Baltimore Local Meeting on Ministry and Oversight held 3rd Mo. 21st 1917 twelve members were present.

After a season of prayer the Minutes of the last meeting were read.

The following report was sent to the Quarterly Meeting on Ministry and Oversight -

Isaac F. Smith and others reported an increase in the attendance at the Meetings at Light Street and a deepening of spiritual life in some of the members was noticeable.

The Bible School has been reorganized and is in better condition than for some time.

Both the Men's and Women's Bible Classes maintain their interest and the Mothers Meeting is in good condition.

The Meetings at Eutaw Street have been regularly held with some increase in attendance and the Ministry has been both helpful and inspiring.

The attendance at Fifty-day morning Meeting is small but the spirit of the Meeting is excellent.

That there should be attention paid to the visiting - which is an important function of this Committee - was emphasized and the members were reminded to send their lists to the Recording Clerk.

A suggestion was made that reports to the Quarterly Meeting on Ministry and Oversight might be omitted three times during the year and a report made to the Quarterly Meeting on Ministry and Oversight just previous to Yearly Meeting.
