

We record with regret the death of Clarissa Davis who was for many years a faithful minister and interested member of this Committee.

The calamity which is overshadowing the world has cast its shadow over our Meeting and our young people have had to settle the most serious problem, probably, of their lives and we believe they have been conscientious in their decisions. Their leaving for activities elsewhere will affect the work of our Meeting to some degree.

The Queries have been read as required by the Discipline.

10th month - At Baltimore Local Meeting on Ministry and Oversight held 10th mo. 10th 1917, eleven members were present.

The meeting opened with devotional exercises in which a number took verbal part.

The Clerk spoke upon the necessity of the members of the Meeting being willing to serve when the Church lays its hands on individuals for service.

The Minutes of the previous meeting were read and were acceptable.

The subject of visiting our members and attenders was considered, also the manner in which these visits should be tabulated. After some discussion it was decided that the members should make individual lists of ten or more names and forward the same to the Recording Clerk who should see that the members and attenders were not neglected.

The recording Clerk was directed to send notices of this decision to the members of this Committee not present.

A suggestion was made that prayer meetings should follow the first day morning meetings on the 4th and 11th of 11th month - previous to Yearly Meeting, also an especial notice for a meeting on 5th day just previous to Yearly Meeting, to ask for special blessings on the sessions during Yearly Meeting.
