

November 29th 1925

A meeting of the Pastoral Committee was held November 29th fourteen members were present.

After a season of devotion the minutes of the previous meeting were read and approved.

The Chairman was directed to ask the Finance Committee for an appropriation of one hundred dollars from next year's budget for the use of this Committee.

An invitation had been received from the Park Ave Friends to hold a joint meeting on Thanksgiving Day at their place - which we accepted with the understanding that a similar meeting should be held with us here at Haverwood next year.

The visiting Com. reported the visiting was going on, but the preparations for Yearly Meeting had interfered with the work.

A concern was expressed that ministers should be careful to allow abundant opportunity for any in the body of the meeting who may have a call to speak. Fear was also felt that if ministers followed each other with only a brief interval of silence, the first message might not have its full effect.

Then adjourned
