Dear Friends:

This is an earnest appeal to all the members and
attenders of Homewood and Light Street Meetings of Friends
in Baltimore to consider very carefully just what service
they are to give to the Meeting this coming year. We are
facing the loss of some of our most substantial and valuable
members, and if the work is to go on we must close up ranks
and fill the best we can the places of those who are falling
out. We have just had a very inspiring and encouraging
Yearly Meeting, and there is a very real concern that the
Yearly Meeting should go forward in its work. Homewood
and Light Street must do their share in this important
work.

We feel that every member and constant attender
of the Meetings should have some share in the work of
the Meeting, if you are not already working, and we
ask you to very seriously consider what you can do in the
regular work of the Meeting. We venture to suggest the
following important branches of Meeting work for your
consideration.

First, we urge on all the importance of regular
attendance in our Meetings for worship 1st day morning
and fifth day evening at Homewood, or on 1st day evening
at Light Street.

Second, we appeal for the united support of the
membership of our Meeting for the Bible Schools at Homewood
and Light Street. If you are willing to take a class at
Homewood or Light Street please give your name to the
Superintendents, and if not a teacher please help support
the Bible Classes by your presence. *By attendance of your children*

The Monthly Meeting for business is a most important
part of our Meeting work, and all of our members who really
care about the Meeting are urged to set aside last Thursday
evening in the month and attend. We are hoping for a
successful year and much depend upon a general participation
in the work of the Meeting by our members generally.

We are your Friends
The Pastoral Committee of Baltimore
Monthly Meeting.
