The Chairman of Home Mission Comte
 reported 2 cottage meetings held last
 month. These meetings have been
 suspended during the hot weather.

The Visiting Comte. reported considerable
 work done during the past month, &
 increased interest.

The Supt. of 1st day School reported
 some falling off in the attendance
 & teachers were urged to visit their
 scholars more.

The nominating Committee, not
 being prepared to report, were continued
 to report at our next meeting.

The committee appointed in Sixth
 month to consider the propriety of
 holding religious services in the
 front yard of the Meeting House
 reported that it was not thought
 advisable to do so, but rather to
 hold open-air services elsewhere.

The report was united with, and
 referred to the Home Mission Comte
 with the recommendation to hold
 such meetings as way may open
 for it.

An earnest concern was express-
 ed on behalf of some of our mem-
 bers who have grown lukewarm,
 & Friends were urged to remember
 them in prayer before the Lord.
