The Assistant Chairman of Home Mission Committee reported two Cottage Meetings held, with an average of ten at each. The other branches of Home Mission work have been well attended to.

The attendance of the 1st day school for the past month has been very good; the average being 108 in spite of 2 or 3 stormy Sundays.

The Young People's Prayer Meeting has been held regularly every night during the series of meetings, & has been largely attended & interesting & very helpful.

As this Meeting desires to aid the work of the Evangelical Alliance in visiting all the families in the city, the Treas. of the Expense Fund was directed to pay \$2.00 (our full proportion of the expenses of the Alliance).
