

Blessed be the name of the Holy One! He
is an all sufficient portion. The promises
are ^{so} sweet and comforting. "He will be our
Guide, even unto death." - Consoling promises!

The girls and Philip wish much love
given. Phil. says he hopes thou wilt get
through the cold damp weather without
being affected by it. - Our united love is
to the different members of the family - tell
them not to forget us. -

"I see not a step before me, as I tread on another year,
But the past is still in God's keeping, the future his ^{will} ^{clear} ^{mercy}
And what looks dark in the distance, may brighten
as I draw near." -

And now once again farewell, and
May blessings always surround
thee, is the wish of thy attached Cousin
