

North Brentwood, Maryland,

December, ¹⁴8th, 1932.

Hon. Albert C. Ritchie,
Governor of Maryland,
Annapolis, Maryland.

Your Excellency:-

I regret that our State, Our Maryland, has been placed among the States of mob Violence, by the atrocious crime committed in Salisbury December 4th, Inst.

The Colored Citizens of Maryland have an abiding faith in you, may not that faith be shaken. You have always stood for justice and fair play to all Citizens regardless of race or creed, and in this hour of trials, all eyes are focused on you.

Respectfully Yours,

Jimmie Hawkins
