Dear B. M.--

Thank you for your telegram last night.

The Brooklyn Daily Eagle had a very rough editorial about me in its issue of December 8th, and I enclose you copy of letter I am writing them which, together with the statement and the editorial attached to it, will enable you to understand the situation about the lynching. I do not know whether you will hear any talk about it, but in case you do I would like you to have the facts.

With affection and good wishes, I am

Sincerely,

Governor.
