Gov. Robert C. Ritchie, Dec. 5, '31.

My dear Gov. Ritchie,

I am an Eastern Shoreman, but teaching here. I think that nigger got his just recompense in Salisbury yesterday—no more and no less.

I was with some of those people during the Thanksgiving holiday, and the crimes of the last few weeks have them incensed to the utmost degree. If that wretched Adee and his "Orphan" had both met a similar fate in Snow Hill recently, this crime wouldn't have occurred.
