

must be something nice
in you - because you look
so nice. I would love to
cast a "Presidential" vote
for you and I have "lots"
of friends to influence -
but money! as long as you
are "as you are now" - I
pray on my knees - that
you may never - as long
as you live. Be the President
of our gorgeous United
States. Come on - Be a
Prohibitionist - I dare you!
Cordially
