

W^{ms}
January 5, 1932

Roy Wilkins, Esq.,
69 Fifth Avenue,
New York City.

Dear Sir:-

I have your favor of January 4th, about the Mathew Williams case. There is really not the slightest doubt about the man's guilt. Nobody has so much as suggested anything else. The investigation now under way, however, is covering every possible aspect of the matter.

Very truly yours,

Governor.
