Governor Ritchie

His Honorable Sir

Your boast that Maryland
can govern its self and
produce leaders who love
justice, seems to be give
the lie to your utterances

You a Presidential cand-
idate and a Catholic, how

do you expect to meet the
voters with your record on
the Salisbury affair,

With Eastern Shore government
you may be next,

From such Justice may the
Lord deliver us, if need
be with the help of Cannon,
J. J. Hoffman
