DICKINSON (N.Y.) TIMES DISPATCH

Wednesday, December 9, 1931

... infinitely worse, and a much greater affront to the peace and dignity of the State of Maryland.

107
Governor Ritchie has signified his intention to take vigorous measures to bring the murderers of Matthews Williams to justice. Such a crime is much more shocking in that it occurred in an enlightened State like Maryland than if it had happened in the lynching belt.

There are unhappily States in the
